Lilac time has come to a close in Lombard. Thank you to anyone who helped in anyway with the Lilac Princess program and a huge thank you to Nancy, Sue H and Sue Bi for their commitment and dedication. It was another successful year for the Lilac Princess Program and by the smiles on Princesses faces a wonderful time was had by all!

Thank you to Sherrie Wolfe for organizing Feed My Starving Children volunteer night, the number of packaged food from that night will be able to feed 41 kids for a year. It was a great experience and I hope we get to do that one again. Thank you to all members who volunteered at the Memorial Day in the park.

Congratulations to Diane for a very successful GFWC IL convention, special thanks to Terri as well for her hard work as Convention Chair and to Nancy and Cathy for a fun filled Derby Night, can't remember the last time I laughed so hard at a convention and to all of our members who attended to show support.

Calling all ship mates to duty, It's time to Sail Away with TLC! Best wishes to Sandi and Erin! Let's all keep our fingers crossed that the good weather fairy gives us nothing but sunshine for the week of camp, but we know that whether rain or shine Sandi, Erin and all the volunteers will continue the tradition of providing a fun filled week for the campers and as Directors, you will do an outstanding job!

I know none of us want to think about September already but there will be food sign-ups for Salad Supper at the June meeting. There are no general meetings after June until September.

Have a wonderful summer!

Maria

*Cruise Nights...*The Village of Lombard has asked LJWC if we would run a “Kids Corner” at Cruise Nights. We accepted and have been given August 15<sup>th</sup> as our night. The Band for the 15<sup>th</sup> is Sonic 7 (2 female singers that cover Heart, Stevie Nicks, etc.). We are going to set up a little for everyone with an arts & crafts area and a sports & games area. Diane N. will be chairing this night and will need lots of volunteers to work on the 15<sup>th</sup>. Please be on the lookout for sign ups and FYI's. PLEASE wear either a LJWC or TLC Camp shirt on August 15<sup>th</sup>!

*Birthdays...*at the June meeting we will be celebrating June & July birthdays if you have a birthday in either of these two months Jenny will have a delicious treat for you at the meeting!

*Club Year Forms...*Please update your form monthly during the general meeting. The Club needs to be completed yearly. Without Club Year Forms it makes writing up Service Award Nominees very difficult if not impossible. It also makes 30+ years of service members easier to recognize at our April Awards Dinner.

Sorry to have missed the last two meetings – life has been a little nutty, but hopefully, order has been restored, to a degree.

First, thanks to those who volunteered at “Feed My Starving Children” last week! Sherrie, thanks for planning – great job! Sounds like everyone had a terrific experience and I hope we will try and do this again.

At June General, we will collect more items for our Baby Shower for People’s Resource Center. Please be as generous as possible. This will be our last month to collect baby items and they will be given to Sue Petruniak to deliver, along with quilts she has made.

Consider health-related organizations for the Galaxy of Health wall. For a small donation, your chosen organization could be selected to receive \$25+ in donations.

We continue to support York Township Food Pantry with donations of Birthday in a Bag packages. All the fixings for a birthday party are gathered, bagged attractively and donated to the pantry. This can be in honor of a birthday or just because. These are very desirable items for the pantry to have, so please remember to support this project to brighten a neighbor’s day.

Lastly, congrats to Margie because our club “Pennies for Art” piggy won “Most Elegant” pig at Convention. Maria did a great job of securing votes with her enthusiastic promenade of the pig. I don’t believe there is a prize per se, but pride in winning is its own reward, so I’ve heard. She was so cute! Thanks Margie, I know that was the last thing you needed during Convention prep.  
Stay Healthy! Diane

### HERE COMES THE SUN

Some tips in picking a sunscreen by Terri S.

Mind your SPFs. Go for at least a skin protection factor (SPF) of 15, but don’t bother spending extra for SPFs over 30 or 40; they don’t make much difference. (SPF 30 blocks nearly 97 percent of UVB rays, SPF 40 blocks 98 percent, and SPF 50 blocks 99 percent). The higher your SPF, the more sharply protection drops if you don’t use enough.

Get broad coverage. SPF ratings only apply to UVB, the short-wave type that causes sunburn. But some 95 percent of UV radiation that hits the earth is UVA (longer wavelength), which penetrates further into the skin and causes premature aging. Look for brands that say “broad-spectrum coverage” or “UVA and UVB protection.” Mineral sunscreens with zinc or titanium block both types by physically scattering UV rays (these products tend to look whitish on the skin), and avobenzone is a common chemical UVA blocker

#### Basic Sun Tips

Cover up. Light and breezy long-sleeved shirts look stylish, keep the sun off, and also keep you cool by creating a little pocket of cool air around you — no wonder people who live in hot climates often wear loose, long-sleeved clothes

Top it off. A hat is like portable shade! It’s a good way to shade your eyes and face and cut some visual glare too. Remember those Kentucky Derby Hats, a wide brimmed hat is the best.

Don’t forget your eyes

### **Do you know the warning signs of a stroke** (Terri Soehrmann)

#### Think FAST

F- Face is the face even, does one side droop?

A- Arm is both arms moving, does one arm drift downward?

S- Speech, is the speech slurred?

T- Time, are any of these signs noticeable...call 911 time is important

Book Club will be Tuesday, June 9, 2015 at 7pm at Janet's. (subject to location change due to massive construction-driveway may be blocked or gone). Lilac season has drawn to an end and for the princess the magic continues as memories. These girls had a great time and according to a couple of their parents have grown in greatly in their self esteem and confidence in just 6 short weeks. These parents have voiced many times their gratitude for our program. Since our last jottings the princess/mother tea was fantastic. Thanks to Rose for setting that up. To Rose, Ellen and Maria for joining us to make the event more special. The girls and their moms had a fabulous time. The final judging and results were again very close as the girls continued to show great grace and poise and maturity. The coronation day couldn't have gone smoother or have a more perfect day. Thank you Rose, Ellen, Sue B, Stacy and Maria for helping to prepare and celebrate this day. Jackie thank you for getting all the invites out to the dignitaries. The ball was lovely, the girls, escorts and parents all had a great time. Chamber put on a lovely event, bravo Yvonne. Parade day: thanks to all who crossed fingers and toes to keep the rain away. The day was great. Thanks Ellen for arranging the float. Signage was perfect and no big back drop behind the queen that without a doubt would have blown over on her with the way the wind was blowing. The girls are planning on attending the Memorial day celebration, TLC camp and cruise night if they are not off to school or in the throws of their preparation to leave.

Sue and I would like to have a wrap up meeting possibly after TLC to have all receipts and paperwork or items regarding princesses be brought that night. Date TBD.

Thanks to all for your support and assistance to make this event a success.

Thanks to Sue B and Penny B. for handing out flags and pinwheels at the Memorial Day celebration.

Bingo at the VA hospital will be on Monday September 28.

I am still looking for volunteers to prepare breakfast at the Fisher House on September 12.

The 10th annual for the troops concert will be held on July 18 at Cantigny Park. This concert will feature Gary Sinese and his Lt. Dan band, Motown tribute band called the voices, a rock cover band called Maggie Speaks and the Chicago Blues All Stars. Tickets for the all-day event are available for \$25 at participating Jewel-Osco stores. Each ticket can pay for the cost of shipping a comfort package to a U.S. service member serving in harm's way or can help fund other programs.

### International Outreach

The Cinco de Mayo outing at Casa Real Cocina was great fun! We tentatively selected Bastille Day for our next outing, I'd like to pick Monday, July 13, if that would work. We also tentatively discussed a place – a crepe place perhaps – but that has totally escaped me. More on that to follow. We will also be going to Bavarian Lodge in Lisle in October. Date tbd. The Cinco de Mayo international dinner will be at Casa Real at 7:00 p.m. on May 5.

incorrect time before. Thanks! Hope to see you there! (feel free to send me a quick email if you plan on coming...). Erin

Thank you to Margie and Carrie for volunteering to step in as assistant directors of TLC 2015. They will both be there the entire week of camp, however, will not be directors for 2016. We are excited for a great week...thank you to all who are volunteering any time that week.

We are very excited to announce our inaugural 5K run/walk! It will be held at the same location as camp, Sunset Knolls Park in Lombard on Saturday June 6, at 3pm. This is not a race, merely a chance to walk or run for a good cause. The registration form is attached to this Jottings. Feel free to spread the word to family and friends. Check out our Facebook page/event as well for updates closer to the date. We hope to see you there!

May 27 will be: How much will we be charging each golfer? Who can take reservations? What are we doing for food? How many raffles do we want?

Speaking of raffles, please bring your donation to the June meeting. We are looking for bottles of any kind of liquor for the big raffle and other items to make a variety of baskets. Wish list:

car wash items, travel items, dinner gift cards, tools, outdoor games or other items, golf items to go with the foursome of golf Western Acres has donated.

We only have this one meeting before the Golf Outing so let's bring as many raffle items as possible. There is a box in the back that you can place your donations in.

I am hoping to schedule some restaurant fundraisers this summer to help raise money for club finances. Places that have been mentioned to me are Pot Bellies, Glen Ellyn, and Noon Whistle Brewery next to Whirly Ball, Meatheads, Glen Ellyn, Moolah, Lombard, & Roundheads, Lombard. If you eat at any of those restaurants and would like to set up a fundraiser, please let me know.

I wanted to discuss some basic tips for a smooth running general meeting. The intention is to remind our members of proper conduct and respect for others.

1. Courtesy should be shown to all-especially our officers at the front table.
2. The rights of the majority are ensured and the rights of the minority protected. The reason for a quorum and voting rights of members
3. The meeting should be concerned with only one matter of business at a time. Please respect the chair person and the agenda they are speaking to without interrupting
4. All matters and motions are open to full and free discussion. Please wait to be recognized by Madam President to speak.
5. All members have equal rights/voting rights are separate.
6. Members needs to abide by the vote of the majority, meaning that the issue ends with the vote.
